

**S-ACCESS**

Smes ACCESS to international public procurements

# TENDERING *RAILWAY SOLUTIONS* OUTSIDE THE EU

Final event of the S-ACCESS project  
with special experts from the EU  
Institutions, USA, Canada, Norway and  
the Railway industry participating in a  
lively round table

This is a great opportunity for Railway Industries  
- especially SMEs - and Cluster Managers to have  
a summary of lessons learnt during the project  
and to learn about challenges and opportunities  
concerning participation in public tenders in the  
three countries the S-ACCESS project worked on

**MAY 16th**

3.30-5.30 PM CEST (UTC +2)  
9.30-11.30 AM EDT (UTC -4)

[Register here: GoToWebinar](#)

Co-funded by the COSME programme  
of the European Union
