

Rail Industry Summit Casablanca 2024

Casablanca, December 10th - 11th, 2024

Final list of participants

4D PIONEERS

4D Pioneers provides additive manufacturing and durable thinking to the pioneers of tomorrow's industrial economy

France

A2I

The comprehensive solution for your IT ecosystem

Morocco

ABCINTEL

Installation and maintenance of technical railway equipment

Morocco

ACC M

Independent specialist in railway equipment trains, locomotives, trams, metros, and bogies

France

ACOME

Manufacturing of Optical and Copper Cables: Urban Railway Signaling Cable, Railway Telecommunications Optical Cable, Intercity High-Speed Rail (LGV) and Electrified Line Signaling Cable.

France

ACTIA RAILWAY - ACTIA TELECOM

Specializing in the design, manufacturing, and marketing of solutions for video surveillance, rear-view systems, passenger information systems (PIS), infotainment for trains, trams, and metros, as well as safety solutions for trackside workers

France

ADELMA

Precision Sheet Metal Work. Electrical Enclosures.

Morocco

ADHESIUM TECHNOLOGIES

Representative of DASSAULT Systèmes and HEXAGON in Morocco for the sale of CAD, CAM, and CAE software (CATIA, SIMULIA, ABAQUS, 3DEXPERIENCE, NASTRAN, PATRAN, ADAMS, APEX, etc.)

Morocco

AD'OCC INVEST AND TRADE IN OCCITANIE

The Investment, Trade & Innovation Agency financed by the Regional Council, offers free consulting for your corporate location project in the Occitanie region.

France

ADVANCED BUSINESS EVENTS

Leading organizer of BtoB events for the Railway industry

France

ADVANCED BUSINESS EVENTS

Leading organizer of BtoB events for the Railway industry

France

ADVANTAGE AUSTRIA MAROC (WKO)

ADVANTAGE AUSTRIA, a network of 110 offices in over 70 countries, offers Austrian companies and their international partners a wide range of services. 800 employees worldwide will assist you in your search for Austrian suppliers and business partners

Morocco

AHK CASABLANCA - MAROC

The AHK Maroc plays a key role in fostering economic and trade relations between Germany and Morocco. It actively promotes partnerships and supports sustainable industrial development in Morocco.

Morocco

AIF-ASSOCIATION DES INDUSTRIES FERROVIAIRES

With over 130 member companies, the AIF (Association of Railway Industries of Hauts-de-France), a true industrial cluster, represents the key railway players in the region

France

AKKODIS MOROCCO

Consulting Services in Automotive, Aeronautics, Railway, and Digital Engineering

Morocco

AL ARABI FACTORY FOR STEEL WORKS CO.LTD

Steel Structure

Saudi Arabia

ALDK

Manufacturing of electrical equipment

Morocco

ALFA MAROC TECH INDUSTRY - AMTI

Sheet metalwork, welding, surface treatment, painting

Morocco

ALSTOM MAROC

Platinum sponsor : Alstom designs and offers systems, equipment, and services for the transportation sector

Morocco

ALSTOM MAROC

Purchasing Division

Morocco

Rail Industry Summit Casablanca 2024

Casablanca, December 10th - 11th, 2024

Final list of participants

ALSTOM POWER SWITZERLAND

Alstom's presence in Switzerland covers a wide range of the value chain – from engineering to manufacturing, from testing to service activities

Switzerland

ALTHEORA

Industrial equipment manufacturer, European leader in the design and production of next-generation composite and polymer parts, addressing current and future industry challenges such as decarbonized railway mobility

France

ALTRAIX

Altraix and its Partners provide networks with the outmost resilient solution including Under sleeper Pads, DAMTEC® Under ballast mat and floating slab systems.

Switzerland

ALUMINIUM DU MAROC

Specializing in the design and manufacturing of aluminum alloy profiles for the construction and industrial sectors, we have developed renowned expertise in extrusion, anodizing, powder coating, thermal break technology, and finishing processes

Morocco

AMBASSADE SUISSE AU MAROC

Representation of Switzerland's interests in politics, economy, finance, law, science, education, and culture

Switzerland

AMDIE

Moroccan Agency for Investment and Export Development

Morocco

AMITH

Moroccan Association of Textile and Apparel Industries

Morocco

ANSALDO TRASPORTI

ANSALDO ATLAS MOBILITY, a specialist in railway rolling stock engineering and design, offers a comprehensive range of services, from manufacturing bogies and railcars to full maintenance and rolling stock refurbishment

Italy

ARIZE

Arize designs and manufactures power and measurement devices for battery maintenance

France

ARRA ENGINEERING

ARRA Engineering designs innovative solutions and nurtures talent to transform engineering and industry

France

ARTELIA

Engineering, Consulting and Project Management Group: Transportation (Rail, Urban transport, Roads, Tunnels, Bridges, Equipment & Systems), Building, Industry, Water, Energy, Environment.

France

AUCOTEC

Industrial software publisher Industry 4.0 Engineering platform BIM (Building Information Modeling)

France

AXIOMS SOLUTIONS MAROC

Provides technical support, studies, works, inspections, testing, and maintenance services

Morocco

BBM - OFFICINE MECCANICHE SPA

Manufacturers of railway maintenance machines: Axle mounting/dismounting presses, Bogie calibration benches, Bogie and axle removal systems, Roof access walkways, Elevating work platforms (EWPs), Turntables, Special equipment.

Italy

BENNINGER GUSS AG

Leading company in the field of additive 3D manufacturing (DGP)

Switzerland

BISIACH & CARRU SPA

Automatic Assembly Machines , welding machine , milling machine for railway

Italy

BO TECHNOLOGY

Groundbreaking technology solutions for fashion retailers, focusing on point-of-sale, IT consulting and e-commerce solutions

Morocco

BODET

French manufacturer of synchronized industrial clocks and time servers

France

BOURGEOIS PLASTIQUES

Manufacturing of technical plastic parts

France

Rail Industry Summit Casablanca 2024

Casablanca, December 10th - 11th, 2024

Final list of participants

BRITISH EMBASSY MOROCCO

We provide services to British nationals living in and visiting Morocco. You can access UK government services while in Morocco.

Morocco

BUREAU VERITAS

Bureau Veritas is a recognized world leader in testing, inspection and certification services (TIC)

Morocco

C2F - TRAVAUX FERROVIAIRES

C2F is a company specializing in catenary work and railway signaling. Founded by a team of experts from the railway industry, it positions itself as a complementary player to established partners in the rail sector

France

CABLES DE COMUNICACIONES ZARAGOZA, SL

Manufacturer of Telecommunication and Railway Signaling Cables (copper, fiber, and accessories). Member of the HengTong Group.

Spain

CAF - CONSTRUCCIONES Y AUXILIAR DE FERROCARRILES

Global leader in urban and interurban mobility, including comprehensive rail and bus systems. We provide bespoke solutions across all phases, from feasibility studies to commissioning and operational management

Spain

CAPGEMINI MAROC

Strategic partner for businesses in transforming their operations by leveraging the full power of technology

Morocco

CAPGEMINI MAROC

Capgemini brings together its engineering and r&d expertise with the launch of new brand: 'capgemini engineering'

Morocco

CEFIS GROUPE

With over 15 years of expertise in NDT, welding, and training, CEFIS is your expert to support the success of your projects

Morocco

CEGELEC - VINCI ENERGIES

Mobility reinvents the core of transportation infrastructure. Our systems simplify daily operations for operators and improve the experience for users. Fluidity, peace of mind, and efficiency: let's envision desirable mobility together

France

CEMBRE

CEMBRE designs and manufactures solutions for the connection and termination of electrical conductors: connectors, terminals, installation tools, cable glands, and automatic and manual marking systems

France

CERIMME

Center for Studies and Research in Metallurgical, Mechanical, Electrical, and Electronic Industries

Morocco

CETIM MAROC DEVELOPPEMENT

Studies, R&D, design, engineering, NDT, technical auditing, expertise, training...

Morocco

CFCA MAROC - GROUPE AMPERE

We customize innovative electrical solutions and assemble all our products for your specific requests in harnesses, assembled cables, overmolding, electrical cabinets, and more, with controlled quality and deadlines

Morocco

CIELLE-TRONICS SRL

LED lighting devices for Automotive, Railway and Industrial sectors

Italy

CLAYENS NP MOROCCO

Offers industrial subcontracting solutions worldwide, including plastic injection, thermosets, electronics, and complex assembly. With 33 sites and 3 R&D centers

Morocco

CLUSTER TOTEM

It brings together companies, academics, and research laboratories for the advancement of mobility in Occitanie / France

France

COLAS RAIL MAROC

A global leader in railway infrastructure

Morocco

COLAS RAIL MAROC

Purchasing department

Morocco

COLMANT COATED FABRICS

Manufacturing of rubber-coated fabrics

France

Rail Industry Summit Casablanca 2024

Casablanca, December 10th - 11th, 2024

Final list of participants

COMPAGNIE DES SIGNAUX - MERMEC

Compagnie Des Signaux is a pure player in railway signalling, specializing in comprehensive systems for both passenger and freight networks

France

COMPIN FAINSA

Supplier of interior systems and front-end solutions, Compin Group specializes in the design, ambiance, and comfort of rail equipment

France

COMPIN FAINSA

Purchasing Department

France

CROUZET

Crouzet mechatronic components for demanding industries in transportation, energy, building and machinery to serve your specific applications.

France

CUEG

Sales and after-sales service for garage equipment, automotive maintenance, heavy-duty vehicles, railway, and aerospace industries

Morocco

CUNEXT COPPER INDUSTRIES

CUNEXT GROUP specializes in processing high-quality copper and aluminum and operates in all sectors related to energy

Spain

DACHSER MAROC

Logistics

Morocco

DB SYSTEMTECHNIK GMBH

European center of excellence for railway engineering

Germany

DEPRECQ SARL

Designs, industrializes, and manufactures complex parts as well as aesthetic parts, using fine sheet metal and welded assemblies

France

DEVCSI

Designer of high business values solutions

France

DHC AFRIQUE

Our vocation is to allocate our skills and field experiences to your internationalisation project to optimise your export investment

Morocco

ECOLE CENTRALE CASABLANCA

Engineering school

Morocco

EGIS RAIL

We design and operate smart infrastructures and buildings that address climate emergency challenges and enhance the quality of life for populations worldwide

Morocco

ENERLIS

Enerlis provides comprehensive energy solutions with a flexible, innovative approach tailored to your needs. Our services combine performance and sustainability to help you accelerate your energy transition

France

ENGIMA - MOROCCO AUTOMOTIVE ENGINEERING

Engineering for transportation industries (2D & 3D CAD design, finite element calculation, testing and validation)

Morocco

EOLANE MAROC

EMS (Electronic Manufacturer Services), designer, manufacturer, producer and maintainer of electronic assemblies and sub-assemblies, and we have also developed expertise in OMD (Original Design Manufacturer) and CDM (Contract Design Manufacturer)

Morocco

ERRE TI SNC DI TUCCI FRANCESCO & C

Composite Solutions for Railway, Automotive, Aerospace & other Markets

Italy

EURO SANDOW

Production of elastic or rigid cords, straps and nets for railway industry

France

EUROTUNNEL

Railway tunnel management

France

FACTORY SYSTEM

Distribution of technical components for industry

Morocco

Rail Industry Summit Casablanca 2024

Casablanca, December 10th - 11th, 2024

Final list of participants

FER-PLAY

Independent engineering firm exclusively dedicated to the railway sector, we have expertise across all railway infrastructure (track, electric traction, signaling) for all types of rail networks: trains, trams, and metros (steel and rubber tires)

France

FERROCAMPUS

Ferrocampus is the European excellence hub dedicated to the railway industry. This center of expertise serves as both a training center, an innovation hub, and a technology transfer platform

France

FERROCAT PEC

Construction company specializing in electrification, restructuring and maintenance of railway infrastructure

France

FERWEST

FERWEST is a company providing security services, assistance, and railway work

France

FEV NORTH AFRICA

FEV is a globally leading engineering provider in the automotive industry and leader of innovation across different sectors and industries

Morocco

FIF - FÉDÉRATION DES INDUSTRIES FERROVIAIRES

The French Railway Industry Federation (FIF) unites over 80 companies to promote the French railway sector, defend members' interests, foster innovation, enhance competitiveness, and support employment and skills development within the industry.

France

FIMA & PGS

FIMA & PGS specialize in providing industrial consumables and production solutions for Morocco: pneumatic/electric tools, automated fastening, stripping solutions, crimping, and ESD products

Morocco

FINOVTEC

Audit for railway infrastructure

France

FLCI

From the creation of an original seat to its recycling at the end of its life, FLCI Group is present throughout the entire lifecycle of the seat

France

FONDERIE DAVERGNE

Designs and manufactures Cupro-Aluminum parts for cutting-edge technology sectors

France

FORBO FLOORING SYSTEMS

Manufacture of textile and PVC flooring for professional use

France

FRAUSCHER SENSOR TECHNOLOGY

Marketing of railway signaling systems such as axle counters and point detection systems, as well as associated services

France

FREQUENTIS AG

Global provider of critical communication and information systems

Austria

FT2A ELECTRONICS

Wiring, electronic maintenance

Morocco

G.C.F. GENERALE COSTRUZIONI FERROVIARIE SPA

GCF – Generale Costruzioni Ferroviarie S.p.A. is a leader in railway track construction, electrification, and signaling systems

Italy

G.M.T. S.R.L.

The cutting, sewing, and assembly of synthetic materials and all types of leather, as well as the recovery and processing of recyclable waste

Italy

GACHES CHIMIE SPECIALITES

Distribution of chemical products and associated services and solutions

France

GDS - GLOBAL DISPLAY SOLUTIONS

Display Solutions engineer and manufacture

Italy

GERB SA

GERB SAS is a company specializing in vibration and seismic isolation for machinery, industrial equipment, and buildings

France

GETZNER MOBILITY

Design and quality with high-quality fabrics from Getzner Textil can be found in trains, buses, in the automotive industry or in construction machinery

Germany

Rail Industry Summit Casablanca 2024

Casablanca, December 10th - 11th, 2024

Final list of participants

GETZNER WERKSTOFFE GMBH

Leading specialist in vibration isolation in the railway

Austria

GLOVA RAIL

Expert in vacuum toilet systems and railway sanitation solutions

Denmark

GOLDSCHMIDT HOLDING GMBH

Together with you, we are shaping the rail-bound mobility of tomorrow – with products and services for the joining of rails, modern construction of railway track, and inspection and maintenance of track infrastructure

Germany

GOP CONSEIL

Consulting and research firm, specialized in station projects

France

HECO, INDUSTRIAS CONESA S.A.

Toolbox company

Spain

HIMA FRANCE

A global leader specializing in automated safety solutions, HIMA protects a large number of international clients in the process industry, logistics, and the railway sector

France

HITACHI RAIL MAROC

Hitachi Rail is connecting the future of mobility through integrated rail solutions, across rolling stock, signalling, digital technology and more

Morocco

HOBOK CONSULTING

Consulting

Morocco

HORN FRANCE

Superior quality always results from the combination of an optimal machining process and a perfect tool. To achieve this, HORN combines sharpening technology, performance, and reliability.

France

HUBNER GMBH & CO. KG

Gangways systems for Railway and bus (soufflet intercircuitation), present on 60-80% of rolling stock in Europe on this commodity, supplying also rubber products for windows, doors, articulations, dampers for bogie systems and HMI

Germany

HYDROQUIP

Manufacturer and supplier of rubber hydraulic hoses and specialist in thermoplastic hoses, Hydroquip manufactures and supplies hydraulic hoses throughout France and internationally

France

HYUNDAI ROTEM

Hyundai Rotem strives for the best with creative innovation for a better future

South Korea

IBN GMBH

Engineering and consulting

Switzerland

IKOS CONSULTING MAROC

Consulting company specializing in railway technologies - Signalisation et contrôle commande - Courants faibles et télécom - Energie et courants forts - Génie civil et voies ferrées - Matériel roulant - RAMS et cybersécurité

Morocco

INATIS

INATIS Group is an engineering and technology consulting firm specializing in technical assistance and fixed-price services. With a passion for technological challenges, we support EPCC projects in Oil & Gas, Industry, Transport, and Energy

France

INECO ESPANA

Design innovative, integral and technological solutions

Spain

INES SA

Design and manufacturing of solutions for overhead lines (insulators and accessories) for the railway and electrical sectors

Morocco

INGEROP SPAIN

A key player in engineering and consulting for sustainable mobility, energy transition, and quality of life, addressing the challenges of today's and tomorrow's cities

Spain

INSTITUT DE FORMATION FERROVIAIRE - IFF

ONCF subsidiary: Training in railway network operations

Morocco

INVESTMENT PROMOTION AGENCY OF MAURITANIA

APIM can help reach out to us resources to help you set up and do business in mauritania mauritania, the new investment frontier

Mauritania

Rail Industry Summit Casablanca 2024

Casablanca, December 10th - 11th, 2024

Final list of participants

KLW WHEELCO SA

Producer of forged wheels, axles, wheelsets, tyres for the railway industry

Switzerland

KNORR-BREMSE RAIL SYSTEMS ITALIA SRL

Leader in the designing, manufacturing, marketing and servicing of brake systems for railway vehicles

Italy

KOTRA MAROC

Promotion of South Korean aerospace industry

Morocco

LINSINGER

Global leader in milling and sawing technology

Austria

LUCCHINI SPA

Manufacture and sale of long and special products in high quality and special steel

Italy

LUMIERES ET TECHNOLOGIES (LT)

Design, implementation, and maintenance of electrical infrastructure in the railway sector

Morocco

MÄDER SA

We develop, manufacture, and market innovative, high-performance solutions in coatings and composites

France

MADREX ENGINEERING

Design office specialized in numerical simulation. Conducting mechanical studies and calculations of structures and fluids using finite element methods

Morocco

MAGHREB STEEL

Leader in the manufacturing and marketing of flat steel in Morocco

Morocco

MANCIN SRL

Mechanical Machining. Sous-traitant d'usinage mécanique de précision spécialisé en fraisage CNC, tournage CNC et rectification CN.

Italy

MAREEX

MAREEX Consulting is a consultancy firm specializing in Risk Management and Contract Management for complex projects in the railway, energy, and IT sectors

Switzerland

MASTERIS

MASTERIS, a subsidiary of SNCF Voyageurs, provides rail companies, public authorities, and local firms with high-end maintenance and engineering services, covering the entire lifecycle of railway and urban rolling stock

France

MERMEC

The company designs and manufactures wayside and onboard signaling systems, telecommunication networks, rail electric traction systems, and measuring trains and systems for the safety of rail infrastructure

Germany

MILITZER & MÜNCH MAROC

Logistics and cargo handling concepts and processes and to continually expand and optimize our product and service portfolio as a trusted, competent, and high-performance partner for our clients

Morocco

MOSDORFER RAILWAY

Full-service provider offering innovative and sustainable solutions for electric railways and tramways

Austria

MP COLINET

Manufacturing of machining machines

Belgium

MTI - MOROCCO TRAININDUSTRY

The National Office of Railways (ONCF) in Morocco is the organization responsible for the management and operation of the country's railway network

Morocco

NEOTEC

Neotec provides engineering and construction of machinery and equipment for the construction and maintenance of railway infrastructure, energy transport networks, and the aerospace and defense industries

France

NICOMATIC MOROCCO

Manufacturer of electronic component for harsh environment, connectors, cables, wires for aerospace, defense, civil avionics, space and many other applications

Morocco

Rail Industry Summit Casablanca 2024

Casablanca, December 10th - 11th, 2024

Final list of participants

NIKOLAY KORSAKOV

Topography

Spain

NORD COMPOSITES

Manufacturer and formulator of resins, gel coats, adhesives, and dyes

France

NORMADEV

Transform your data into digital success With our integrated Data Processing, Application Development, and Product Management solutions

France

NORSK HYDRO - ALUMINIUM EXTRUSION

Hydro is a leading aluminium and renewable energy company

France

NOVEC

Infrastructure manager (tracks, stations, terminals), studies, R&D, design, engineering

Morocco

NRJ INTERNATIONAL

Integrator of electrical and solar solutions for substations, power lines, and the railway sector

Morocco

NTS TECHNICS

Consulting engineer, import and export of services, railway maintenance

France

OMNIFER

OMNIFER is a training organisation

France

ONCF - OFFICE NATIONAL DES CHEMINS DE FER MAROCAIN

Purchasing Division

Morocco

ONCF - OFFICE NATIONAL DES CHEMINS DE FER MAROCAIN

Infrastructure Division

Morocco

ONCF - OFFICE NATIONAL DES CHEMINS DE FER MAROCAIN

Rolling Stock Division

Morocco

ONCF - OFFICE NATIONAL DES CHEMINS DE FER MAROCAIN

High-Speed Rail Project Division

Morocco

PANDROL

Expert control of Track Resilience and Noise & Vibration with systems based on recycled rubber technology offering the lowest CO2 footprint in the market

Belgium

PANDROL MAROC

Pandrol maximises railway availability, safety and sustainable lifetime value

Morocco

PASTORE RICAMBI

Producer of turned gaskets (joint), assembled hoses and filtration

Italy

PFLITSCH GMBH & CO. KG

The right cable glands and cable trunking for your industry

Germany

PIEMONTE AGENCY

Piemonte Agency is the one-stop-shop for business and investment that offers tailor-made and free of charge assistance for international clients in their sourcing and benchmarking activities in Italy.

Italy

PLASSER & THEURER GMBH

Global leader in track maintenance machines for 70 years

Austria

POUDROX INDUSTRIES - OXYPLAST MAROC

Manufacturing of powder electrostatic paints for the powder coating of metals

Morocco

PREYSTA NORD

Industrial studies and methods, assembly, integration, and industrial transfer

France

RAIL DELIVERY GROUP

The Rail Delivery Group Limited (RDG) is the British rail industry membership body that brings together passenger and freight rail companies

United Kingdom

RAIL EXPERT

Committed to excellence in railway work expertise and technical support. Our dedication to safety, quality, and innovation makes us the preferred partner to guide you in the railway sector

France

Rail Industry Summit Casablanca 2024

Casablanca, December 10th - 11th, 2024

Final list of participants

RAILTRADINGMAROC - ALOMRA

Innovative technological solutions and professional services in a constantly evolving world

Morocco

RAILWAY GAZETTE INTERNATIONAL - DVV MEDIA UK LTD

The Railway Gazette Group is the leading provider of news, analysis and intelligence for the international railway industry

United Kingdom

RATP DEV CASABLANCA

Operates, maintains, and develops the Casablanca tramway network - Maintenance division

Morocco

RATP DEV CASABLANCA

Operates, maintains, and develops the Casablanca tramway network - Purchasing division

Morocco

REPROCOVER SA

Reprocover develops and manufactures prefabricated solutions using RTS (Reprocessed Thermoset) materials for railway infrastructure, roadworks, and the construction sector

Belgium

RIOS SUPPLY CHAIN, S.L.

Welding and machining of highly technically complex parts in steel, stainless steel, aluminum and alloys

Spain

SAARSTAHL RAIL

Carbon and alloy steel wire rod for advanced cold heading application. high quality, special alloys for higher strength and weight reduction

France

SAFRAN ENGINEERING SERVICES MAROC

Provides added-value engineering services to the aerospace and ground transport industries, offering expertise and project management in domains like electrical systems, aerostructures, mechanical, software, systems engineering

Morocco

SCHNEIDER ELECTRIC MAROC

Global specialist in energy management and automation, we offer integrated energy solutions for various industries

Morocco

SCIF

Specializes in the manufacturing and refurbishment of rolling stock

Morocco

SCIF

Specializes in the manufacturing and refurbishment of rolling stock

Morocco

SEGULA TECHNOLOGIES MAROC

Engineering

Morocco

SERINOX (TRA-C)

Serinox specializes in industrial sheet metalwork and precision fine sheet metalwork

France

SFERIS

Railway works and maintenance - Safety on tracks and surrounding areas

France

SIANA - SOCIÉTÉ MAROCAINE DE MAINTENANCE DES RAMES À GRANDE VITESSE

Moroccan Company for the Maintenance of High Speed Trains

Morocco

SIANA - SOCIÉTÉ MAROCAINE DE MAINTENANCE DES RAMES À GRANDE VITESSE

Industrial Division

Morocco

SIANA - SOCIÉTÉ MAROCAINE DE MAINTENANCE DES RAMES À GRANDE VITESSE

Support Division

Morocco

SIANA - SOCIÉTÉ MAROCAINE DE MAINTENANCE DES RAMES À GRANDE VITESSE

Project Division

Morocco

SIMPRO SPA

Flexibility, competence, innovation and high-quality service have made Simpro a worldwide leader in the turnkey solutions for AUTOMOTIVE and RAILWAY.

Italy

SITE SPA

We provide excellent services in Telecommunications, Energy, and Transport, offering our clients continuous support in the development of customized projects related to innovation and integration

Italy

Rail Industry Summit Casablanca 2024

Casablanca, December 10th - 11th, 2024

Final list of participants

SMTR CARRE - ONCF

SMTR-CARRE, an ONCF subsidiary, is Morocco's leading transportation and courier

Morocco

SNCF GARES & CONNEXIONS

Railway Operator, station development, passenger information systems

France

SOCIETE DES BASALTES MAROCAINS

A subsidiary of ONCF specialized in the extraction and production of stone materials, operating a quarry near Meknes

Morocco

SOCOFER

From design to construction, including renovation and scheduled maintenance, SOCOFER applies its railway expertise.

France

SPCHIM

Products in the field of industrial cleaning and chemistry

Morocco

STADLER RAIL GROUP

world's leading manufacturer in the rack-and-pinion rail vehicle industry

Switzerland

STADLER RAIL SIGNALLING DEUTSCHLAND

Leading provider of solutions in the field of railway safety

Germany

STAUFF SA

Develops, manufactures, and distributes hydraulic components, accessories, and subassemblies

France

STRATIFORME INDUSTRIES

Stratiforme Industries specializes in the processing of reinforced thermosets, particularly phenolic resin parts

France

SYSTEM7 RAILTECHNOLOGY GMBH

The new era of intelligent railway maintenance machines and innovative technologies

Austria

TALLERES ZITRON SA

Design, manufacture, and supply of customized ventilation systems for underground mines, road and railway tunnels, as well as metro systems

Spain

TAMWILCOM

Financing guarantees, Co-financing for SMEs, Startup financing

Morocco

TEKFER

Wayside and on board signaling systems engineering and production.

Italy

TELESTE

At Teleste, we help build and run a better networked society. We bring television and broadband services to your home, secure your safety in public places and guide your use of public transport.

Finland

TERRA-CONSULTING

Terra-Consulting specializes in railway engineering, offering project management, project supervision, and on-site safety services. We support our clients in the design, maintenance, and upkeep of railway infrastructure

France

TEXELIS

Construction of locomotives and other rolling stock

France

TOSCANA GOMMA MAROC - PROMAGHREB

Manufacturing of seats, production of polyurethane foam: upholstery, armrests, and headrests

Morocco

TRANSDEV RABAT SALÉ

The Rabat-Salé tramway is a dedicated public transport system serving the cities of Salé and Rabat - Purchasing Division

Morocco

TRANSDEV RABAT SALÉ

The Rabat-Salé tramway is a dedicated public transport system serving the cities of Salé and Rabat - Logistics Division

Morocco

TRANSDEV RABAT SALÉ

The Rabat-Salé tramway is a dedicated public transport system serving the cities of Salé and Rabat - Engineering Division

Morocco

TRAVAUX ELECTRIQUES ET REALISATIONS

Installation and integration of electrical systems (HV/LV), Telecom deployments, Signaling installation, and Railway systems

Morocco

Rail Industry Summit Casablanca 2024

Casablanca, December 10th - 11th, 2024

Final list of participants

TRESCAL MAROC

Services in metrology and measurement ecosystem

Morocco

TRIGO GROUP MAROC

TRIGO provides a comprehensive range of corrective and preventive quality inspection and management services

Morocco

TRIMAS AEROSPACE GERMANY GMBH

Specialist in anti-vibration technology

Germany

TSO

The specialist in railway tracks and catenary systems

France

ULTRANET

Railway, Airport, Security, Telecommunications

Morocco

VERONNEAU SOLUTIONS

Railway training and services in engineering, track maintenance, and transportation

Canada

VERRE INDUSTRIE

Manufacturers, Distributors, Processing, and Transformation of Flat Glass

France

VIVEC

Supplier of advanced electronic solutions and equipment for the railway industry, covering measurement, conversion, safety, embedded electronics, interfaces, brake discs, temperature measurement, and catenary accessories

Morocco

VOESTALPINE PROFILAFROID

Voestalpine Profilafroid and Voestalpine S.A.P. (Société Automatique de Profilage) have been key players in cold roll forming for over 75 years.

France

VOESTALPINE RAILWAY SYSTEMS

World market leader in railway systems

Austria

WABTEC MAROC

Tier 1 Railway Equipment Manufacturer

Morocco

WAY ASSAUTO SRL

Shock absorbers for railways

Italy

WIRINGTEK SARL

WIRINGTEK is a Moroccan industrial subcontractor, active since August 2018, in the field of electrical wiring

Morocco
