

Preliminary list of participants – 02/06/2026

A2S INDUSTRIES

PCBA electronic card assembly - Electronic wiring
Electromechanical assembly and integration

Morocco

ABRATEX

ABRATEX is a company specializing in the distribution of
supplies for industry and construction

Morocco

ACC M

Independent specialist in railway equipment trains,
locomotives, trams, metros, and bogies

France

ACOME

Manufacturing of high-performance cables for urban and
intercity railway infrastructures (signaling cables and advanced
control-command solutions), as well as for automotive,
telecommunication networks, and smart buildings

France

ACTIA RAILWAY - ACTIA TELECOM

Specializing in the design, manufacturing, and marketing of
solutions for video surveillance, rear-view systems, passenger
information systems (PIS), infotainment for trains, trams, and
metros, as well as safety solutions for trackside workers

France

ADELMA

Precision Sheet Metal Work. Electrical Enclosures.

Morocco

ADHESIUM TECHNOLOGIES

Representative of DASSAULT Systèmes and HEXAGON in
Morocco for the sale of CAD, CAM, and CAE software (CATIA,
SIMULIA, ABAQUS, 3DEXPERIENCE, NASTRAN, PATRAN, ADAMS,
APEX, etc.)

Morocco

ADM21

Distribution of industrial IT and network equipment

France

ADVANCED BUSINESS EVENTS

Leading organizer of BtoB events for the Railway industry

France

AERTEC

customized solutions for commercial / VIP cabins. cabin
completion, finish and curtain systems. delivers services in seat
maintenance, SB implementation, aircraft painting (mobile
teams worldwide), carpet cutting, seats covers manufacturing

France

AIF-ASSOCIATION DES INDUSTRIES FERROVIAIRES

AIF cluster (Association of Railway Industries of Hauts-de-
France) represents the key railway players in the northern
french region

France

AKKODIS MOROCCO

Consulting services in automotive, aerospace, railway, and
digital engineering

Morocco

ALFA MAROC TECH INDUSTRY - AMTI

Sheet metalwork, welding, surface treatment, painting

Morocco

ALSTOM MAROC

Alstom designs and offers systems, equipment, and services for
the transportation sector

Morocco

ALSTOM NORTH AMERICA

Alstom designs and offers systems, equipment, and services for
the transportation sector

Canada

Preliminary list of participants – 02/06/2026

ALTHEORA

Industrial equipment manufacturer, European leader in the design and production of next-generation composite and polymer parts, addressing current and future industry challenges such as decarbonized railway mobility

France

ARRIVE (FLOWBIRD SAS)

Supplier of hardware and software solutions for public transport ticketing systems. Supplier of hardware and software solutions for parking management.

France

AMBASSADE D'AUTRICHE (WKO)

ADVANTAGE AUSTRIA, a network of 110 offices in over 70 countries, offers Austrian companies and their international partners a wide range of services. 800 employees worldwide will assist you in your search for Austrian suppliers and business partners

Morocco

ARTELIA

Engineering, Consulting and Project Management Group: Transportation (Rail, Urban transport, Roads, Tunnels, Bridges, Equipment & Systems), Building, Industry, Water, Energy, Environment

France

AMBASSADE DE GRANDE BRETAGNE

We promote the UK-Morocco cooperation and long-standing relations, and we share UK opportunities in Morocco

Morocco

ASSOCIATION OF AMERICAN RAILROADS - AAR

Association of American Railroads is an industry trade group representing primarily the major freight railroads of North America.

United States

AMBASSADE SUISSE AU MAROC

Representation of Switzerland's interests in politics, economy, finance, law, science, education, and culture

Morocco

AVENIR FERRO CONSEIL

We operate across a broad range of expertise, from engineering fields (signaling, driving automation, track, catenary, and electrical systems) to support functions such as project management, procurement, and quality

France

AMDIE

Moroccan Agency for Investment and Export Development

Morocco

AXIOMS SOLUTIONS MAROC

We provide Engineering, Consulting and Project Management services. Specialized in Rail and Urban transport

Morocco

ANSALDO ATLAS MOBILITY

ANSALDO ATLAS MOBILITY, a specialist in railway rolling stock engineering and design, offers a comprehensive range of services, from manufacturing bogies and railcars to full maintenance and rolling stock refurbishment

Morocco

BA FRANCE - BROETJE AUTOMATION

BA France designs and integrates customized, innovative industrial solutions, supporting major clients in the railway industry

France

ARIZE

Arize designs and manufactures power and measurement devices for battery maintenance

France

**INTERNATIONAL SUMMIT & MEETINGS FOR THE
RAILWAY INDUSTRIES AND INFRASTRUCTURES**

ORGANIZED IN
2025 BY

IN PARTNERSHIP
WITH

Preliminary list of participants – 02/06/2026

BBM - OFFICINE MECCANICHE SPA

Manufacturers of railway maintenance machines: Axle mounting/dismounting presses, Bogie calibration benches, Bogie and axle removal systems, Roof access walkways, Elevating work platforms (EWPs), Turntables, Special equipment

Italy

BENNINGER GUSS AG

Leading company in the field of additive 3D manufacturing (DGP)

Switzerland

BISIACH & CARRU SPA

Design and manufacture of: drilling and rivetting automatic systems; robotized systems for airplane components assembling; automatic systems for positioning, drilling and stringer/clip rivetting; robotized systems for working

Italy

BÖLLHOFF MAROC

Manufacture and distribution of fastening components for the aerospace, automotive, and railway industries

Morocco

CAF - CONSTRUCCIONES Y AUXILIAR DE FERROCARRILES

CAF is a global leader in comprehensive transportation systems, shaping the future of sustainable mobility

Spain

CAPGEMINI

Strategic partner for businesses in transforming their operations by leveraging the full power of technology

Morocco

CARL/BERGER-LEVRAULT

CARL Software : Extend the life of your equipment, improve field efficiency, and inform your decisions with real-time data and embedded AI

France

CECSYSTEMS

Import & purchase and sale of technical and specialized equipment for professionals

Morocco

CEFIS GROUPE

With over 15 years of expertise in NDT, welding, and training, CEFIS is your expert to support the success of your projects

Morocco

CEIPIEMONTE S.C.P.A.

Piemonte Agency is the one-stop-shop for business and investment that offers tailor-made and free of charge assistance for international clients in their sourcing and benchmarking activities in Italy.

Italy

CERIMME

Center for Studies and Research in Metallurgical, Mechanical, Electrical, and Electronic Industries

Morocco

CHIMIPLEX

ZINGA zinc film galvanisation - supplier of raw materials and equipment for ferrous and non-ferrous foundries.

Morocco

CICOR MAROC

EMS (Electronic Manufacturer Services), designer, manufacturer, producer and maintainer of electronic assemblies and sub-assemblies, and we have also developed expertise in OMD (Original Design Manufacturer) and CDM (Contract Design Manufacturer)

Morocco

CID

Engineering

Morocco

**INTERNATIONAL SUMMIT & MEETINGS FOR THE
RAILWAY INDUSTRIES AND INFRASTRUCTURES**

ORGANIZED IN
2025 BY

IN PARTNERSHIP
WITH

Preliminary list of participants – 02/06/2026

**CIM - COMPAGNIE INTERNATIONALE DE MAINTENANCE -
JOHN COCKERIL**

Manufacturing of railway components and maintenance
equipment

France

COMTEC GMBH

Accessories for railway, telecommunication and cable-
technology

Germany

CLUSTER TOTEM

It brings together companies, academics, and research
laboratories for the advancement of mobility in Occitanie /
France

France

CSINTECH

Specialized company of railway vehicle equipment

South Korea

COLAS RAIL MAROC

Colas Rail, a global leader in railway infrastructure

Morocco

CUNEXT COPPER INDUSTRIES

CUNEXT GROUP specializes in processing high-quality copper
and aluminum and operates in all sectors related to energy

Spain

COMAU

Automation and Robotics in the Railway Industry

France

DDM

IT, Telecoms, Low Voltage and Audiovisual

Morocco

COMET INDUSTRIES

Comet Industries serves the North American rail industry by
providing high-quality components and systems that enhance
the efficiency and safety of freight operations.

United States

DENY SECURITY

Manufacturer of innovative electrical, electromagnetic, and
mechanical locking solutions

France

COMPAGNIE DES SIGNAUX - MERMEC

Compagnie Des Signaux is a pure player in railway signalling,
specializing in comprehensive systems for both passenger and
freight networks

France

DEVISMES

Devismes designs and manufactures custom metal parts. Our
expertise in precision sheet metal work and mechanical
welding supports your projects from design through to
assembly

France

COMPIN FAINSA

Supplier of interior systems and front-end solutions, Compin
Group specializes in the design, ambiance, and comfort of rail
equipment

France

EGIS RAIL

We design and operate smart infrastructures and buildings that
address climate emergency challenges and enhance the quality
of life for populations worldwide

Morocco

ENGIMA - MOROCCO AUTOMOTIVE ENGINEERING

Engineering for transportation industries (2D & 3D CAD design,
finite element calculation, testing and validation)

Morocco

4/13

Preliminary list of participants – 02/06/2026

<p>EQUANS Leader in the energy and services sector</p>	<p>France</p>	<p>FIMA & PGS FIMA & PGS specialize in providing industrial consumables and production solutions for Morocco: pneumatic/electric tools, automated fastening, stripping solutions, crimping, and ESD products</p> <p>Morocco</p>
<p>ETIHAD RAIL Etihad Rail is the developer and operator of the UAE's national railway network, providing modern, efficient, and sustainable freight and passenger transport across the country and the wider GCC region.</p> <p>United Arab Emirates</p>		<p>FLCI From the creation of an original seat to its recycling at the end of its life, FLCI Group is present throughout the entire lifecycle of the seat</p> <p>France</p>
<p>EUROPOWER HYDRAULICS Manufacturer and supplier of rubber hydraulic hoses and specialist in thermoplastic hoses, Hydroquip manufactures and supplies hydraulic hoses throughout France and internationally</p> <p>France</p>		<p>FONDERIE DAVERGNE Designs and manufactures Cupro-Aluminum parts for cutting-edge technology sectors</p> <p>France</p>
<p>EXPLEO We accelerate the convergence of IT and operational engineering in rail transport, designing, operating, and monitoring innovative solutions for next-generation trains, signaling systems, and rail operations with a cost-effective and agile approach</p> <p>Morocco</p>		<p>FRAUSCHER SENSOR TECHNOLOGY FRANCE We provide the world's most reliable signalling solutions for train detection, track-side object control and much more.</p> <p>France</p>
<p>FERROCAT PEC Construction company specializing in electrification, restructuring and maintenance of railway infrastructure</p> <p>France</p>		<p>FREQUENTIS AG Global provider of critical communication and information systems</p> <p>Austria</p>
<p>FGI SRL PDM/PE/PU/Fiber die-cut gaskets and seals as well as adhesives (3M/Nitto/Tesa)</p> <p>Italy</p>		<p>G.C.F. GENERALE COSTRUZIONI FERROVIARIE SPA GCF – Generale Costruzioni Ferroviarie S.p.A. is a leader in railway track construction, electrification, and signaling systems</p> <p>Italy</p>
		<p>GACHES CHIMIE SPECIALITES Distribution of chemical products and associated services and solutions</p> <p>France</p>

Preliminary list of participants – 02/06/2026

GARALDI MAROC TECHNOLOGIES SARL

The cutting, sewing, and assembly of synthetic materials and all types of leather, as well as the recovery and processing of recyclable waste

Morocco

HERBERT KNEITZ GMBH

European marketleader, production and design of textiles/fabrics for seats and curtains used in Railway, Bus & coach and Automotive applications

Austria

GE ENERGY POWER CONVERSION FRANCE

GE Vernova manufactures equipment used in rail applications to stabilise and strengthen the connection between power supply networks and the catenary

France

HIMA FRANCE SARL

A global leader specializing in automated safety solutions, HIMA protects a large number of international clients in the process industry, logistics, and the railway sector

France

GEODESING

Survey/geodesy of railways, roads and infrastructure

Spain

HIMDI MORJANE CONSULTING

Engineering, technical studies

France

GETZNER WERKSTOFFE GMBH

Leading specialist in vibration isolation in the railway

Austria

HUBNER GMBH & CO. KG

Gangways systems for Railway and bus (soufflet intercirculation), present on 60-80% of rolling stock in Europe on this commodity, supplying also rubber products for windows, doors, articulations, dampers for bogie systems and HMI

Germany

GS TVORNICA MASINA TRAVNIK D.O.O.

Precision welded mechanical components for the railway industry (bogies, chassis) and special vehicles. Machining of complex structures

Bosnia and Herzegovina

HUTCHINSON SAINT BRIEUC

We design multi-material solutions for clients operating in the most demanding environments

France

GSDI

Transformation and installation of adhesive films on railway rolling stock (interior and exterior liveries, window protection, signage)

France

HYUNDAI ROTEM

Hyundai Rotem strives for the best with creative innovation for a better future

South Korea

GTIF

Management of engineering techniques and railway training

France

HELLERMANNTYTON

Design & Development of plastic fasteners

Morocco

Preliminary list of participants – 02/06/2026

IKOS CONSULTING MAROC

Consulting company specializing in railway technologies – Signaling and control systems – Low-current and telecommunications – Power supply and high-current systems – Civil engineering and track works – Rolling stock – RAMS and cybersecurity

Morocco

ILME FRANCE

ILME specializes in industrial multipole connector solutions

France

IMALUM - INDUSTRIE MAROCAINE D'ALUMINIUM

Extrusion of aluminium alloy profiles, machining, powder coating, anodising.

Morocco

INES

Design and manufacturing of solutions for overhead lines (insulators and accessories) for the railway and electrical sectors

Morocco

INFRAWAY - ONCF

ONCF subsidiary awarded with second subcontract for the construction of the T3 and T4 Tramway lines in Casablanca. This collaboration will allow Infraway to highlight its expertise in executing railway infrastructure projects

Morocco

INSTITUT DE FORMATION FERROVIAIRE - IFF

ONCF subsidiary: Training in railway network operations

Morocco

INVESTMENT PROMOTION AGENCY OF MAURITANIA

APIM can help reach out to us resources to help you set up and do business in mauritania mauritania, the new investment frontier

Mauritania

IT LINK

Consulting firm operating in France and abroad, including Morocco, specialized in project management and engineering for complex systems. Strong rail expertise: SNCF 13100 qualification, signaling, embedded systems, low-voltage

France

KENNAMETAL

We deliver efficient and flexible solutions and top tier technical support for machining key industry components that must withstand enormous physical and thermal loads like tracks, turnout components, wheels and axles.

France

KFS MOBILITY

Research, design, manufacturing, and maintenance with a wide range of products: seats for high-speed trains, regional trains, commuter trains, trams, and metros

France

KLW WHEELCO SA

Producer of forged wheels, axles, wheelsets, tyres for the railway industry

Switzerland

KNORR-BREMSE RAIL SYSTEMS ITALIA SRL

Leader in the designing, manufacturing, marketing and servicing of brake systems for railway vehicles

Italy

KORAIL (KOREA RAILROAD CORPORATION)

Rail-transport operator of Korea railroad

South Korea

KOREA RAILWAY ASSOCIATION (KORASS)

Aim to connect the railway community of the entire nation of South Korea

South Korea

**INTERNATIONAL SUMMIT & MEETINGS FOR THE
RAILWAY INDUSTRIES AND INFRASTRUCTURES**

ORGANIZED IN
2025 BY

IN PARTNERSHIP
WITH

Preliminary list of participants – 02/06/2026

LABORATOIRE PUBLIC D'ESSAIS ET D'ETUDES (LPEE)

Provides and ensures various testing, analysis, study, inspection, expertise, and technical assistance services

Morocco

LS CABLE & SYSTEM LTD

Contributing to building power grids and communication networks all over the world by developing, producing and providing cables and related solutions used in daily life

South Korea

LANTAL TEXTILES AG

Design, develop, and manufacture high-performing and eco-conscious textiles and solutions, serving customers in the transportation markets of aviation, railway, and buses

Switzerland

LUMIERES ET TECHNOLOGIE

Our expertise covers the following railway installations: - Railway signalling - Substations and track electrification - Diagnostic tools - Maintenance workshop

Morocco

LANTECH COMMUNICATIONS EUROPE GMBH

Lantech is an IRIS-certified company that offers a complete family of industrial networking products

Germany

MÄDER SA

We develop, manufacture, and market innovative, high-performance solutions in coatings and composites

France

LEAN AND GROW ENGINEERING

Industrial engineering company specialising in the design, manufacture and integration of customised mechanical equipment for industrial and railway environments.

Morocco

MADREX ENGINEERING

Design office specialized in numerical simulation. Conducting mechanical studies and calculations of structures and fluids using finite element methods

Morocco

LGM INGENIERIE

LGM intervient sur les grands programmes ferroviaires à tous niveaux : Aménagement des infrastructures, Programmes d'amélioration de l'interopérabilité, Développement des nouveaux matériels roulants

France

MARLIER MAROC

Non-Destructive Testing (NDT) in the railway sector is essential to ensure the safety, reliability, and durability of railway infrastructure components

Morocco

LINSINGER

Global leader in milling and sawing technology

Austria

MASTERIS

MASTERIS, a subsidiary of SNCF Voyageurs, provides rail companies, public authorities, and local firms with high-end maintenance and engineering services, covering the entire lifecycle of railway and urban rolling stock

France

LORRAINFER

LORRAINFER offers its know-how and expertise in the complete and tailor-made construction of wagons, machine wagons, and equipment wagons

France

MAURER SE

Bridge Bearings, Expansion Joints

Germany

Preliminary list of participants – 02/06/2026

METALEKTRO MEASURING TECHNIQUE LTD

Metalektro develops and manufactures innovative diagnostic instruments for the railway industry

Hungary

NAGELS DRUCK KEMPEN

Intelligent ticketing and labeling solutions

Germany

MICHEL ITC AG HEADQUARTER

HMI input systems technologies Michel ITC Group helps companies develop and produce their devices and products

Switzerland

NAVIROC

NAVIROC is a shipping and logistics firm based in Morocco, operating globally. Transportation, Logistics services, Warehouses

Morocco

MILITZER & MÜNCH MAROC

Logistics and cargo handling concepts and processes and to continually expand and optimize our product and service portfolio as a trusted, competent, and high-performance partner for our clients

Morocco

NEOTEC

Neotec provides engineering and construction of machinery and equipment for the construction and maintenance of railway infrastructure, energy transport networks, and the aerospace and defense industries

France

MP PURCHASING

Official distributor in Morocco for Linsinger, System 7, and Cunext

Morocco

NEXTSENSE GMBH

Driving complete digital transformation processes and delivering ICT solutions to improve the business performance of a wide range of organizations

Austria

MSA DAMPER

Leader supplier of shock absorbers for automotive applications (commercial and industrial vehicles, tracks, trailers, buses, axles, vehicles)

Italy

NOMAD DIGITAL LIMITED

Nomad Digital is a world-leading provider of cutting-edge connectivity and fleet management solutions for the transport industry

United Kingdom

MTI - MOROCCO TRAININDUSTRY

MTI promotes railway innovation in Morocco, encouraging innovative technological projects in this field

Morocco

NORMADEV

Transform your data into digital success With our integrated Data Processing, Application Development, and Product Management solutions

France

MULTISTATION SAS

MULTISTATION, pioneer and engineering company in additive and digital manufacturing

France

NOVEC

Infrastructure manager (tracks, stations, terminals), studies, R&D, design, engineering

Morocco

**INTERNATIONAL SUMMIT & MEETINGS FOR THE
RAILWAY INDUSTRIES AND INFRASTRUCTURES**

ORGANIZED IN
2025 BY

IN PARTNERSHIP
WITH

Preliminary list of participants – 02/06/2026

NRJ INTERNATIONAL

Integrator of electrical and solar solutions for substations, power lines, and the railway sector

Morocco

RAILWAY WINDOWS SRL

Railway Windows designs and manufactures windows, doors and interior furnishings for the maintenance of railway carriages

Italy

ONCF - OFFICE NATIONAL DES CHEMINS DE FER MAROCAIN

Purchasing Division / High-Speed Rail Project Division / Rolling Stock Division / Infrastructure Division

Morocco

RATP DEV CASABLANCA

Operates, maintains, and develops the Casablanca tramway network

Morocco

PANDROL UK

We engineer and deliver industry-defining solutions for the entire rail infrastructure sector, from inner-city light rail and ports through to large heavy haul and high speed lines

United Kingdom

ROCHLING INDUSTRIAL NANCY

Thermoplastics and composites for technical applications. We supply our products in the form of semi-finished products such as sheets, rods, tubes, flat bars, profiles and finished castings right through to precise machined parts

France

PENTA - NOVARC

Electrical safety solutions

France

SAFRAN ENGINEERING SERVICES MAROC

Provides added-value engineering services to the aerospace and ground transport industries, offering expertise and project management in domains like electrical systems, aerostructures, mechanical, software, systems engineering

Morocco

Plasser & Theurer GmbH

Global leader in track maintenance machines for 70 years

Austria

Polydesign Systems

Full-service supplier of automotive interior and seating solutions

Morocco

Saint-Gobain Abrasives Maroc

Production and marketing of abrasive products: cutting wheels, grinding wheels, wire brushes

Morocco

Progress Rail Signaling S.p.A

Signaling provider, designing wayside and highway crossing systems for railroads since 1992

Italy

SARL N.C.C MAROC

NCC Morocco offers engineering services covering RAMS analysis (Reliability, Maintainability, Availability and Safety), 3D and 2D mechanical design, maintenance documentation drafting and SLI (Integrated Logistics Support) studies.

Morocco

RAIL EXPERT

Committed to excellence in railway work expertise and technical support. Our dedication to safety, quality, and innovation makes us the preferred partner to guide you in the railway sector

France

Preliminary list of participants – 02/06/2026

SCHWEIZER ELECTRONIC FRANCE

Automatic warning systems for railway construction sites
Radio remote control systems for locomotives
Level crossing systems
Customer-oriented software solutions

France

SFERIS

Railway works and maintenance - Safety on tracks and surrounding areas

France

SCIF (SOCIÉTÉ CHÉRIFIENNE DE MATÉRIEL INDUSTRIEL ET FERROVIAIRE)

Specializes in the manufacturing and refurbishment of rolling stock

Morocco

SIANA - SOCIÉTÉ MAROCAINE DE MAINTENANCE DES RAMES À GRANDE VITESSE

Moroccan Company for the Maintenance of High Speed Trains

Morocco

SCM (SYSTEME ET CONNECTIQUE DU MANS)

Design and manufacturing of connectors for harsh environments

France

SIEMENS MOBILITY SLU

For more than 175 years, Siemens Mobility is constantly innovating its portfolio. Its core areas include rolling stock, rail automation and electrification, a comprehensive software portfolio, turnkey systems as well as related services

Spain

SECURELEC SOCEM

Design and manufacture of transformers, inductors and coils. SECURELEC SOCEM has cultivated its expertise in embedded, infrastructure and signalling equipment.

France

SIMPRO SPA

Flexibility, competence, innovation and high-quality service have made Simpro a worldwide leader in the turnkey solutions for AUTOMOTIVE and RAILWAY.

Italy

SEGULA TECHNOLOGIES MAROC

SEGULA Technologies Morocco is a key partner for innovative, tailor-made engineering and consulting solutions

Morocco

SKALE MOBILITY

Skale Mobility is making long-term investments in the production and distribution of measurement solutions for the industrial sector

Morocco

SEMVAC A/S

Semvac is a leading provider of innovative sanitation systems for the railway industry. We are dedicated to passenger comfort, sustainability, and reliability.

Denmark

SKF FRANCE

Built to withstand demanding conditions, our components and services enhance rail reliability, cutting maintenance needs and ensuring timely, safe, and sustainable transport

France

SETEC

Mobility planning, transport project evaluation, multimodal travel modeling, transport infrastructure design, economic zone development, and implementation of smart mobility systems for urban and interurban networks.

Morocco

SOCIETE DES BASALTES MAROCAINS

ONCF subsidiary: specialized in the extraction and production of stone materials, operating a quarry near Meknes

Morocco

Preliminary list of participants – 02/06/2026

SOILTEC GMBH

specializes in spare parts and component manufacturing, maintenance and modernization work on heavily used rail vehicles, as well as engineering services

Germany

STADLER SIGNALLING DEUTSCHLAND GMBH

Leading provider of solutions in the field of railway safety

Germany

STAUFF SARL MAROC

Develops, manufactures, and distributes hydraulic components, accessories, and subassemblies

Morocco

STER SP. Z O O

Producer of passenger seats

Poland

TEKFER

Wayside and on board signaling systems engineering and production.

Italy

TERRA-CONSULTING

Terra-Consulting specializes in railway engineering, offering project management, project supervision, and on-site safety services. We support our clients in the design, maintenance, and upkeep of railway infrastructure

France

TEXELIS TRANSPORT

Construction of locomotives and other rolling stock

France

TOSCANA GOMMA MAROC

Manufacturing of seats, production of polyurethane foam: upholstery, armrests, and headrests

Morocco

TRA-C INDUSTRIE

Serinox specialized in industrial precision sheet metal work and tube bending certified according to EN 15085

France

TRANSDEV RABAT SALÉ

The Rabat-Salé tramway is a dedicated public transport system serving the cities of Salé and Rabat - Purchasing Division / Engineering Division / Infrastructures / Logistics Division

Morocco

TRAVAUX ELECTRIQUES ET REALISATIONS

Installation and integration of electrical systems (HV/LV), Telecom deployments, Signaling installation, and Railway systems

Morocco

TRIGO GROUP MAROC

TRIGO provides a comprehensive range of corrective and preventive quality inspection and management services

Morocco

TSO MAROC

Construction, renovation, and maintenance of railway tracks and catenaries

Morocco

ULTRANET

Railway, Airport, Security, Telecommunications

Morocco

UNIFER

The UNIFER Group is positioned in major markets such as the construction of new railway lines and the renewal of track equipment

France

Preliminary list of participants – 02/06/2026

VERRE INDUSTRIE

Manufacture of glass for the transport industry (rail, aeronautics and road) and for industry in general

France

WAY ASSAUTO SRL

Shock absorbers for railways

Italy

VIVEC

Supplier of advanced electronic solutions and equipment for the railway industry, covering measurement, conversion, safety, embedded electronics, interfaces, brake discs, temperature measurement, and catenary accessories

Morocco

WORLDLINE MOBILITY AND E TRANSACTIONAL SERVICES

We are Worldline. We help businesses of all shapes and sizes to accelerate their growth journey – quickly, simply, and securely.

France

VOESTALPINE RAILWAY SYSTEMS

World market leader in railway systems

Austria

XRAIL GROUP

We deliver rail system design and implementation, project management, assurance and integration for the world's leading train operators and contractors.

United Kingdom

VOGELANG GMBH & CO KG

Cutting-edge technology for agricultural technology, biogas, industry, transportation and wastewater

Germany

VULCAIN INGENIERIE - ATIF

We support our clients in the management and scheduling of their projects, as well as in the organization, supervision, and technical control of works. We operate both on existing railway networks and on the construction of new lines

France

WABTEC CORPORATION

Wabtec is a leading global provider of equipment, systems, digital solutions, and value-added services for freight rail, transit, mining, industrial or marine

Morocco

WAGO CONTACT

Whether on board the trains, in signaling systems, or in stations, WAGO products are the right choice for signal conversion and transmission in the railway sector

France
